“Electromagnetic Weapons are Being Used to Torture and Subjugate Countless American Citizens”

www.BiggerThanSnowden.com was an important whistleblower website that effectively exposed gangstalking and scalar torture from credible Military-Intelligence-Industrial-Complex defectors (Barrie Trower Ex-MI5, William Binney Ex-NSA, Paul Batcho Phd Ex-DARPA, etc.).

Barrie Trower (Ex-MI5):

“With just one pulse frequency you can make people so suicidal that can’t be bothered to act like a demonstrator anymore. All they want to do is sleep or lay in bed all day.”

“Voices are the easiest ones because all you have to do is stimulate the cochlea with a set resonance frequency it’s very easy. Voices are very easy. And it isn’t people imagining voices they physical hear them. You can physically make people hear certain voices and it can be any conversation or anyone they want you to hear. It can be a soft angelic voice, it can be a god, it can be something that scares you like a devil. It can be anything.”

“If you want to cause a specific psychiatric illness you would have an infrared device that followed the person and you would **link it to a pencil thin microwave source so the microwave beam would always target a specific gland** or a specific part of the brain, or an eye or a heart.”

“If they want to experiment on you by the thousands they will. And you can be driven to insanity and death and you just become a tick in a box without any so much as a feeling. And this is what they do and this is why they are above the law. One of the experiments was to take an ordinary sane person, cause insanity, and have a psychiatrist who was unknown to everybody diagnose schizophrenia or paranoia or a psychiatric illness. That was a successful outcome. And the person will spend the rest of their life in an asylum in misery but to the government scientist that was a success.”

“I believe that this industry and the part of the government which is encouraging them will be responsible for more civilian deaths and suffering than all the terrorist groups in the world ever. With the growth of the industry over the past 15 years I would say now that these people are probably going to cause more death and suffering than the entire second world war. And is that genocide? Yes without a shadow of a doubt.”

William Binney (Ex-NSA):

“If they can’t get it through the internet or the tapping of the lines or anything like that through a commercial means and they’re unsure about you they can get it by close access means, coming in and actually bugging or putting monitor systems in your house or computer. **They can use your computer video to look back at you.** Or they can monitor keystrokes you’re making on your computer or **what you’re putting on your computer screen.** And if that’s not enough they can come in through the firewall you think you have but don’t, and **go through your operating system** you think protects you but doesn’t, and read your encrypted email that you thought was secure but isn’t. Or they can simply wait for you to do decrypts, if you’ve done that, pull them off and use your unused CPU while you’re on the computer to drain it. It’s called active attack.”

“I guess my frustration is why I couldn’t get through to members of government in the House, Senate, Judiciary, administration, or in the inspector generals office to actually start to realize what they were doing and stand up and say something against it openly. That was the very frustrating part because you thought these people who **took the same office of oath that I did** would actually do that and you also thought they would value the principles in the Constitution and what they stood for in terms of human rights and human freedom. **But they don’t apparently care for that. It more becomes an issue of money, control, and power and it’s not a question of human rights anymore.**”

Dr James Giordano (DARPA Neurologist)

“The brain is the 21st century battle-scape in many ways, end of story. You will encounter some sort of neuro-cognitive science that has been weaponized not only in your military career but in your personal and professional life. It is valid, valuable, and already an operational play. **The brain is the current and future battle-space.** What’s new about this is the in close nature of this. Increasingly we’re not seeing these things as weapons of mass destruction against gross aspects of the population; more specifically perhaps might be **targeting individuals** on a level that allows you to direct attribution or **covert engagement with non-attribution.** Formal

definition of a weapon. Probably the one you've heard about most recently most [?] in the literature is the possibility to use some sort of directed energy to **affect physiology peripherally and also to affect the physiology and the health of the brain**. Case in point here US Embassy personnel in Havana and possibly in China. Clearly one of the things we can also do is **trans-cranial-neuro-modulation, the idea of going through the skull to modulate the node network activity of the brain, to implant certain brain-machine interfaces** These are many of the DARPA programs you may hear about now. Probably the one that is most **notorious** is something called the N3 program which is the **non-invasive neurosurgical neuro-modulation program** being run by their program manager Dr Al Emondi. The idea here is to put minimal sized electrodes in the network within a brain through only **minimal intervention to be able to read and write into the brain function in real time remotely. And by effecting the way that brain is built and the way it functions, influence in ways that are kinetic and non-kinetic the attitudes beliefs, thoughts, emotions, activities.**

Nick Begich (Mind Control Science Researcher and Educator):

“DARPA let a couple contracts back in 2011 2012 the University of California for what's called electronic telepathy. Being able to monitor the brain activity of human beings at a distance and determine what they're thinking. And then on a second contract actually developing complex signals being able to send them into the brain or another person and literally transmit a message. This is where the technology is today.”

It was taken down by (I'm assuming) the US Government because they are terrified of what's going to happen to those complicit when the public realizes the extreme criminality of what the US Government is involved in. Everyone involved in this system (gangstalkers, intelligence-agency scientists, military scientists, cabal) is committing war crime and are complicit in covert (national, global) torture and genocide upon innocent civilians.

<https://www.youtube.com/watch?v=rJ4JT6Sq7w>
<https://rumble.com/v2hl850-bigger-than-snowden.html>

The US Government has lowered the standard definition of a “terrorist” as defined by the law through twisted deceitful terminology so that they can label innocent civilians (especially those who the cabal have quantum identified as anti-NWO) as “terrorists”. They do this in an attempt to give themselves plausible deniability. They know what they are doing is very wrong (wicked) but they think they can get away with it because the system currently hides their behavior. They will not be successful in escaping justice because Higher Intelligence (Angelic Forces, benevolent ETs) have a sophisticated quantum record of all free-will violation and criminality. Those involved are complicit in war crime: covert (national, global) torture and genocide upon innocent civilians. They will be held fully accountable for all their negative actions when The Beast System collapses.

BEHOLD A PALE HORSE

Behold a Pale Horse by Milton William Cooper

https://archive.org/details/beholdapalehorsebymiltonwilliamcooper1991_202003

Behold a Pale Horse contains two very important documents: “Silent Weapons for Quiet Wars” and “Protocols for the Elders of Zion” (replace “jews” with illuminati/cabal), among other important information that effectively exposes the cabal.

*Silent Weapons for Quiet Wars

“Silent Weapons for Quiet Wars” is a leaked Bilderberg Group (cabal) document that defines the cabal action-agenda for complete world societal capitulation to the “New World Order”. It details the quantum computing aspect of The Beast System (societal-automation, social/financial sabotage, metadata collection) straight from the horse’s mouth. Scalar torture and organized gangstalking are either subtly implied at the time this document was dated (1979) and/or they are additional systems developing in conjunction (as the infrastructure (along with psychological/ scalar torture science) advanced and the population sold out). This system is an attempted covert global genocide of all resistance to the NWO, the system described in my article CABAL SILENT GENOCIDE

Milton William Cooper:

“ I read Top Secret documents which explained that "Silent Weapons for Quiet Wars" is the doctrine adopted by the Policy Committee of the Bilderberg Group during its first known meeting in 1954. A copy found in 1969 was in the possession of Naval Intelligence. The following document, dated May 1979, was found on July 7,1986, in an IBM copier that had been purchased at a surplus sale.”

Here are quotes taken from “Silent Weapons for Quiet Wars” that I feel are the most important. (MWC has added capitalized emphasis). (Bold emphasis is mine)

“”

Social engineering (the analysis and **automation of a society**) requires the correlation of great amounts of constantly changing economic information (data), so a high-speed computerized data-processing system was necessary which could race ahead of the society and predict when **society would arrive for capitulation.**

With these three inventions under their direction, those in positions of power strongly suspected that it was possible for them to control the **whole world with the push of a button.**

Although the silent weapons system was nearly exposed 13 years later, the evolution of the new weapon-system has never suffered any major setbacks.

In 1954 it was well recognized by those in positions of authority that it was only a matter of time, only a few decades, before the general public would be able to grasp and upset the cradle of power, for **the very elements of the new silent-weapon technology were as accessible for a public Utopia as they were for providing a private Utopia.**

It is patently impossible to discuss social engineering or the automation of a society, i.e., the engineering of social automation systems (SILENT WEAPONS) on a NATIONAL or WORLDWIDE SCALE without implying extensive OBJECTIVES of SOCIAL CONTROL and DESTRUCTION OF HUMAN LIFE, i.e., SLAVERY and GENOCIDE.

This manual is in itself an analog declaration of intent. Such a writing must be SECURED FROM PUBLIC SCRUTINY. Otherwise, it might be recognized as a **TECHNICALLY FORMAL DECLARATION OF DOMESTIC WAR.**

This volume marks the 25th anniversary of the beginning of the Quiet War. (1954, 1979)

Energy is recognized as the key to all activity on earth. Natural science is the study of the sources and control of natural energy, and social science, theoretically expressed as economics, is the study of the sources and control of social energy. Both are bookkeeping systems: mathematics. Therefore, mathematics is the primary energy science. **And the book- keeper can be king if the public can be kept ignorant of the methodology of the bookkeeping.**

All science is merely a means to an end. The means is knowledge. The end is control. [THE END ALWAYS JUSTIFIES THE MEANS.] Beyond this remains only one issue: Who will be the beneficiary?

In 1954 this was the issue of primary concern. Although the so- called "moral issues" were raised, in view of the law of natural selection it was agreed that a nation or world of people who will not use their intel- ligence are no better than animals who do not have intelligence. Such people are beasts of burden and steaks on the table by choice and consent.

CONSEQUENTLY, in the interest of future world order, peace, and tranquility, it was decided to **privately wage a quiet war against the American public** with an ultimate objective of **permanently shifting the natural and social energy (wealth)** of the undisciplined and irresponsible many into the hands of the self-disciplined, responsible, and worthy few.

In 1954 this was the issue of primary concern. Although the so- called "moral issues" were raised, in view of the law of natural selection it was agreed that a nation or world of people who will not use their intel- ligence are no better than animals who do not have intelligence. Such people are beasts of burden and steaks on the table by choice and consent.

In order to implement this objective, it was necessary to create, secure, and apply new weapons which, as it turned out, were a **class of weapons so subtle and sophisticated in their principle of operation and public appearance as to earn for themselves the name "silent weapons."**

In conclusion, the objective of economic research, as conducted by the magnates capital (banking) and the industries of commodities (goods) and vices, is the establishment of an economy which is **totally predict- able and manipulative.**

In order to achieve a totally predictable economy, the **low-class** elements of the society must be **brought under total control**, i.e., must be **housebroken, trained**, and assigned a **yoke and long-term social duties** from a very early age, **before they have an opportunity to question** the propriety of the matter. In order to achieve such conformity, the lower- class family unit must be disintegrated by a process of increasing **preoc- cupation of the parents** and the establishment of government-operated day-care centers for the occupationally orphaned children.

The quality of education given to the lower class must be of the poorest sort, so that the moat of ignorance isolating the inferior class from the superior class is and remains incomprehensible to the inferior class. With such an initial handicap, even bright lower class individuals have little if any hope of extricating themselves from their assigned lot in life. This form of slavery is essential to maintaining some measure of social order, peace, and tranquility for the ruling upper class.

DESCRIPTIVE INTRODUCTION OF THE SILENT WEAPON

Everything that is expected from an ordinary weapon is expected from a silent weapon by

its creators, but only in its own manner of junctioning.

It shoots situations, instead of bullets; propelled by data processing, instead of a chemical reaction (explosion); originating from bits of data, instead of grains of gunpowder; from a computer, instead of a gun; operated by a computer programmer, instead of a marksman; under the orders of a banking magnate, instead of a military general.

It makes no obvious explosive noises, causes no obvious physical or mental injuries, and does not obviously interfere with anyone's daily social life.

Yet it makes an unmistakable "noise," causes unmistakable physical and mental damage, and unmistakably interferes with daily social life, i.e., unmistakable to a trained observer, one who knows what to look for.

The public cannot comprehend this weapon, and therefore cannot believe that they are being attacked and subdued by a weapon.

The public might instinctively feel that something is wrong [ISN'T THAT THE TRUTH?], but because of the technical nature of the silent weapon, they cannot express their feeling in a rational way, or handle the problem with intelligence. Therefore, they do not know how to cry for help, and do not know how to associate with others to defend themselves against it.

When a silent weapon is applied gradually, the public adjusts/adapts to its presence and learns to tolerate its encroachment on their lives until the pressure (psychological via economic) becomes too great and they crack up.

Therefore, the silent weapon is a type of biological warfare. It attacks the vitality, options, and mobility of the individuals of a society by knowing, understanding, manipulating, and attacking their sources of natural and social energy, and their physical, mental, and emotional strengths and weaknesses.

What Mr. Rothschild had discovered was the basic principle of power, influence, and control over people as applied to economics. That principle is "when you assume the appearance of power, people soon give it to you."

Mr. Rothschild had discovered that currency or deposit loan accounts had the required appearance of power that could be used to **INDUCE PEOPLE** [WC emphasis] (inductance, with people corresponding to a magnetic field) into surrendering their real wealth in exchange for a promise of greater wealth (instead of real compensation). They would put up real collateral in exchange for a loan of promissory notes. Mr. Rothschild found that he could issue more notes than he had backing for, so long as he had someone's stock of gold as a persuader to show to his customers.

Mr. Rothschild loaned his promissory notes to individuals and to governments. These would create overconfidence. Then he would make money scarce, tighten control of the system, and collect the collateral through the obligation of contracts. The cycle was then repeated. These pressures could be used to **ignite a war. Then he would control the availability of currency to determine who would win the war.**

That government which agreed to give him control of its economic system got his support. Collection of debts was guaranteed by economic aid to the enemy of the debtor.

In this structure, credit, presented as a pure element called "currency," has the appearance of capital, but is, in fact, negative capital. Hence, it has the appearance of service, but is, in fact, indebtedness or debt. It is therefore an economic inductance instead of an economic capacitance, and if balanced in no other way, **will be balanced by the negation of population (war, genocide)**. The total goods and services represent real capital called the gross national product, and currency may be printed up to this level and still represent economic capacitance; but currency printed beyond this level is subtractive, represents the introduction of economic inductance, and constitutes notes of indebtedness.

War is therefore the balancing of the system by killing the true creditors (the public which we have taught to exchange true value for inflated currency) and falling back on whatever is left of the resources of nature and regeneration of those resources.

APPLICATION IN ECONOMICS

To use this method of airframe shock testing in economic engineering, the prices of commodities are shocked, and the public consumer reaction is monitored. The resulting echoes of the economic shock are interpreted theoretically by computers and the psycho-economic structure of the economy is thus discovered. It is by this process that partial differential and difference matrices are discovered that define the family household and make possible its evaluation as an economic industry (dissipative consumer structure).

Then the response of the household to future shocks can be predicted and manipulated, and **society becomes a well-regulated animal with its reins under the control of a sophisticated computer-regulated social energy bookkeeping system.**

Eventually every individual element of the structure comes under computer control through a knowledge of personal preferences, such knowledge guaranteed by computer association of consumer preferences (universal product code — UPC — zebra-stripe pricing codes on packages) with identified consumers (identified via association with the use of a credit card and LATER A PERMANENT "TATTOOED" BODY NUMBER [WC emphasis] invisible under normal ambient illumination....

To make a short story of it all, it was discovered that an economy obeyed the same laws as electricity and that all of the mathematical theory and practical and computer know-how developed for the electronic field could be directly applied in the study of economics. This discovery was not openly declared, and its more subtle implications were and are kept a closely guarded secret, for example that in an economic model, human life is measured in dollars, and that the electric spark generated when opening a switch connected to an active inductor is mathematically analogous to the initiation of a war.

The social welfare program is nothing more than an open-ended credit balance system which creates a false capital industry to give nonproductive people a roof over their heads and food in their stomachs. This can be useful, however, because the recipients become state property in return for the "gift," a standing army for the elite. For he who pays the piper picks the tune. Those who get hooked on the economic drug, must go to the elite for a fix. In this, the method of introducing large amounts of stabilizing capacitance is by borrowing on the future "credit" of the

world. This is a fourth law of motion — onset, and consists of performing an action and leaving the system before the reflected reaction returns to the point of action — a delayed reaction.

The same thing is achieved by a government by printing money beyond the limit of the gross national product, an economic process called inflation. [Note: REMEMBER THAT INFLATION IS ONLY THE ACT OF PRINTING MONEY IN EXCESS OF GROSS NATIONAL PRODUCT. THEY COULD BLAME IT ON THE PRICE OF WIDGETS OR OIL ONLY BECAUSE YOU NEVER KNEW THE REAL CAUSE. THE REAL CAUSE AND THE ONLY CAUSE OF INFLATION IS THE PRINTING OF MORE MONEY BEYOND THE GROSS NATIONAL PRODUCT.]

They must eventually resort to war to balance the account, because war ultimately is merely the act of destroying the creditor, and the politicians are the publicly hired hit men that justify the act to keep the responsibility and blood off the public conscience. (See section on consent factors and social-economic structuring.)

If the people really cared about their fellow man, they would control their appetites (greed, procreation, etc.) so that they would not have to operate on a credit or welfare social system which steals from the worker to satisfy the bum.

Since most of the general public will not exercise restraint, there are only two alternatives to reduce the economic inductance of the system.

(1) Let the populace bludgeon each other to death in war, which will only result in a total destruction of the living earth.

(2) Take control of the world by the use of economic "silent weapons" in a form of "quiet warfare" and reduce the economic inductance of the world to a safe level by a process of benevolent slavery and genocide.

The latter option has been taken as the obviously better option. At this point it should be crystal clear to the reader why absolute secrecy about the silent weapons is necessary. The general public refuses to improve its own mentality and its faith in its fellow man. It has become a herd of proliferating barbarians, and, so to speak, a blight upon the face of the earth.

They do not care enough about economic science to learn why they have not been able to avoid war despite religious morality, and their religious or self-gratifying refusal to deal with earthly problems renders the solution of the earthly problem unreachable by them.

It is left to those few who are truly willing to think and survive as the fittest to survive, to solve the problem for themselves as the few who really care. Otherwise, exposure of the silent weapon would destroy our only hope of preserving the seed of future true humanity....

DIVERSION, THE PRIMARY STRATEGY

Experience has proven that the SIMPLEST METHOD of securing a silent weapon and gaining control of the public is to KEEP THE PUBLIC UNDISCIPLINED AND IGNORANT of basic systems principles on the one hand, WHILE KEEPING THEM CONFUSED, DISORGANIZED, AND DISTRACTED with matters of no real importance on the other hand. [WC all emphases.]

This is achieved by:

(1) disengaging their minds; sabotaging their mental activities; providing a low-quality program of public education in mathematics, logic, systems design and economics; and discouraging technical creativity.

(2) engaging their emotions, increasing their self-indulgence and their indulgence in emotional and physical activities, by:

(a) unrelenting emotional affrontations and attacks (mental and emotional rape) by way of a constant barrage of sex, violence, and wars in the media — especially the T.V. and the newspapers.

(b) giving them what they desire — in excess — "junk food for thought" — and depriving them of what they really need.

(3) REWRITING HISTORY and LAW and SUBJECTING THE PUBLIC TO THE DEVIANT CREATION, thus being able to SHIFT THEIR THINKING from personal needs to highly fabricated outside priorities. [WC all emphases.]

These preclude their interest in and discovery of the silent weapons of social automation technology. The general rule is that there is profit in confusion; the more confusion, the more profit. Therefore, the best approach is to create problems and then offer the solutions.

DIVERSION SUMMARY

Media: Keep the adult public attention diverted away from the real social issues, and captivated by **matters of no real importance.**

Schools: Keep the young public ignorant of real mathematics, real economics, real law, and **REAL HISTORY** [WC emphasis].

Entertainment: Keep the public entertainment below a sixth-grade level.

Work: Keep the public busy, busy, busy, with no time to think; back on the farm with the other animals.

A silent weapon system operates upon **data obtained from a docile public by legal (but not always lawful) force**. Much information is made available to **silent weapon systems programmers** through the Internal Revenue Service. (See Studies in the Structure of the American Economy for an I.R.S. source list.)

This information consists of the enforced delivery of well-organized data contained in federal and state tax forms collected, assembled, and submitted by **slave labor** provided by taxpayers and employers.

Furthermore, the number of such forms submitted to the I.R.S. is a useful indicator of public consent, an important factor in strategic decision making. Other data sources are given in the Short List of Inputs. Consent Coefficients — numerical feedback indicating victory status.

Psychological basis: When the government is able to collect tax and seize private property without just compensation, it is an indication that the public is ripe for surrender and is consenting to enslavement and legal encroachment. A good and easily quantified indicator of harvest time is the number of public citizens who pay income tax despite an obvious lack of reciprocal or honest service from the government.

The next step in the process of designing an economic amplifier is discovering the energy sources. The energy sources which support any primitive economic system are, of course, a supply of raw materials, and the consent of the people to labor and consequently assume a certain rank, position, level, or class in the social structure; i.e., to provide labor at various levels in the pecking order.

Each class, in guaranteeing its own level of income, controls the class immediately below it, hence preserves the class structure. This provides stability and security, but also government from the top.

As time goes on and communication and education improve, the lower-class elements of the social labor structure become knowledgeable and envious of the good things that the upper-class members have. They also begin to attain a knowledge of energy systems and the ability to enforce their rise through the class structure.

This threatens the sovereignty of the elite.

If this rise of the lower classes can be postponed long enough, the elite can achieve energy dominance, and LABOR BY CONSENT NO LONGER WILL HOLD A POSITION [WC emphasis] of an essential economic energy source.

Until such energy dominance is absolutely established, the consent of people to labor and let others handle their affairs must be taken into consideration, since failure to do so could cause the people to interfere in the final transfer of energy sources to the control of the elite.

It is essential to recognize that at this time, public consent is still an essential key to the release of energy in the process of economic amplification

Therefore, consent as an energy release mechanism will now be considered.

THE POLITICAL STRUCTURE OF A NATION — DEPENDENCY

The primary reason why the individual citizens of a country create a political structure is a subconscious wish or desire to perpetuate their own dependency relationship of childhood.

Simply put, they want a human god to eliminate all risk from their life, pat them on the head, kiss their bruises, put a chicken on every dinner table, clothe their bodies, tuck them into bed at night, and tell them that everything will be alright [sic] when they wake up in the morning.

This public demand is incredible, so the human god, the politician, meets incredibility with incredibility by promising the world and delivering nothing. So who is the bigger liar? the public? or the "godfather"?

This public behavior is surrender born of fear, laziness, and expediency. It is the basis of the welfare state as a strategic weapon, useful against a **disgusting public**.

ACTION/OFFENSE

Most people want to be able to subdue and/or kill other human beings which disturb their daily lives, but they do not want to have to cope with the moral and religious issues which such an overt act on their part might raise. Therefore, they assign the dirty work to others (including their own children) so as to keep the blood off their own hands. They rave about the humane treatment of animals and then sit down to a delicious hamburger from a whitewashed slaughterhouse down the street and out of sight. **But even more hypocritical, they pay taxes to finance a professional association of hit men collectively called politicians, and then complain about corruption in government.**

Thus, a nation becomes divided into two very distinct parts, a DOCILE SUB-NATION [great silent majority] and a POLITICAL SUB-NATION. The political sub-nation remains attached to the docile sub-nation, tolerates it, and leaches its substance until it grows strong enough to detach itself and then devour its parent.

Few efforts of human behavior modification are more remarkable or more effective than that of the socio-military institution known as the draft.

We begin with a tentative definition of the draft. **THE DRAFT (selective service, etc.) is an institution of COMPULSORY collective SACRIFICE and SLAVERY**, devised by the middle-aged and the elderly for the purpose of pressing the young into doing the public dirty work. It further serves to make the youth as guilty as the elders, thus making criticism of the

elders by the youth less likely (Generational Stabilizer). It is marketed and sold to the public under the label of "patriotic = national" service.

What does not exist by natural cooperation is thus enhanced by calculated compulsion. Human beings are machines, levers which may be grasped and turned, and there is little real difference between automating a society and automating a shoe factory.

These derived values are variable. (It is necessary to use a current **Table of Human Values** for computer analysis.) These values are given in true measure rather than **U.S. dollars, since the latter is unstable, being presently inflated beyond the production of national goods and services so as to give the economy a false kinetic energy ("paper" inductance).**

The silver value is stable, it being possible to buy the same amount with a gram of silver today as could be bought in 1920. **Human value measured in silver units** changes slightly due to changes in production technology.

(SbG6LB8 Note: The cabal is measuring the value of human life in silver. As in individuals given a metric silver value on a computer chart based on their "slave usefulness".)

A primary purpose of a draft or other such institution is to instill, by intimidation, in the young males of a society the uncritical conviction that the government is omnipotent. [WC Note: The truth is just the opposite, as government exists only with the consent of the people.]

To secure the draft, **individual brainwashing/programming and both the family unit and the peer group must be engaged and brought under control.**

FACTOR II— FATHER

The man of the household must be housebroken to ensure that junior will grow up with the right social training and attitudes. The advertising media, etc., are engaged to see to it that **father-to-be is pussy- whipped before or by the time he is married.** He is taught that he either conforms to the social notch cut out for him or his sex life will be hobbled and his tender companionship will be zero. He is made to see that women demand security more than logical, principled, or honorable behavior.

By the time his son must go to war, **father (with jelly for a backbone)** will slam a gun into junior's hand before father will risk the censure of his peers, or make a hypocrite of himself by crossing the investment he has in his own personal opinion or self-esteem. Junior will go to war or father will be embarrassed. So junior will go to war, the true purpose not withstand-

FACTOR III — MOTHER

The female element of human society is ruled by emotion first and logic second. In the battle between logic and imagination, imagination always wins, fantasy prevails, maternal instinct dominates so that the child comes first and the future comes second. A woman with a newborn baby is too starry-eyed to see a wealthy man's cannon fodder or a cheap source of slave labor. A woman must, however, be conditioned to accept the transition to "reality" when it comes, or

sooner.

As the transition becomes more difficult to manage, the **family unit must be carefully disintegrated**, and state-controlled public education and state-operated child-care centers must become more common and legally enforced so as to begin the detachment of the child from the mother and father at an earlier age. Inoculation of behavioral drugs [Ritalin] can speed the transition for the child (mandatory). CAUTION: A woman's impulsive anger can override her fear. An irate woman's power must never be underestimated, and her power over a pussy-whipped husband must like- wise never be underestimated.

It got women the vote in 1920.

FACTOR IV — JUNIOR

The emotional pressure for self-preservation during time of war and the self-serving attitude of the common herd that have an option to avoid the battlefield — if junior can be persuaded to go — is all of the pressure finally necessary to propel Johnny off to war. Their quiet blackmailings of him are the threats: "No sacrifice, no friends; no glory, no girlfriends/"

FACTOR V —SISTER

And what about junior's sister? She is given all the good things of life by her father, and taught to expect the same from her future husband regardless of the price.

FACTOR VI — CATTLE

Those who will not use their brains are no better off than those who have no brains, and so this mindless school of jelly-fish, father, mother, son, and daughter, become useful beasts of burden or trainers of the same.

[End of excerpt]

WC/Author's Note: So now you know. This chapter could only come in the beginning. Your preconceived ideas had to be shattered in order for you to understand the rest of this book. In this chapter you can see every step that the elite have taken in their war to control this once great nation. You can see the steps that will be taken in the future. You can no longer pretend innocence. Your denial of the conspiracy will fall on deaf ears. This book is part of the education that will give Americans the weapons needed in the coming months and years of hardship as the New World Order struggles to be born.

Many will argue that "Silent Weapons for Quiet Wars" is only a bogus conglomeration of words for which the writer has never taken credit or responsibility. Those who do so ignore the self-evident truths contained within the document. They ignore these truths because they are an indictment of their own ignorance, which they cannot face.

The document, first found in 1969, correctly outlines events which subsequently came to pass. It cannot be ignored or dismissed. The document is genuine. Its truths cannot be negated or shrugged away. The message is this: You must accept that you have been cattle and the ultimate consequence of being cattle — which is slavery — or you must prepare to fight, and if necessary die to preserve your God-given right to Freedom.

That last sentence is the real reason why people choose to ignore "Silent Weapons for Quiet

Wars." People are not ready to admit that they have been cattle. They are not prepared to fight, and if necessary die, for Freedom. It is an indictment of the citizens of the United States of America. And that is the total confirmation of the truth of the information contained in "Silent Weapons for Quiet Wars."

“about 2/3 of this country is involved”

Sabrina Wallace (DARPA, Space Force, Rothschild, SAPs whistleblower)

(This is a serious situation. I believe Sabrina Wallace and have had other confirmations of this astronomical figure. I genuinely believe that 70% of the USA population has sold out to the cabal and are participating in gangstalking. They are able to easily remain undetected in their activity because the system hides the meta-behavior. Gangstalking is meta-behavior harassment. The majority of it is done and orchestrated covertly with advanced technology. It is a “Silent

Weapon”, “Behold a Pale Horse” by Milton William Cooper. It is They Live 1988. Although they have tech and the majority it goes to show that the Light of God is stronger, resilient, and has the energetic majority. The cabal and gangstalkers are pathetic cowards and are going to be held accountable for every second of offense when their system collapses. They are a disgrace and an embarrassment.)

“If you have knowledge ahead of time, you're not going to be afraid and you're going to be better prepared to observe your environment, topologically epigenetically and really understand that people who are complicit in all of this stuff that's really evil. They will tell you your biofield's not real or they won't talk about it and then if they're involved and about 2/3 (of say pardon my face) of this country is involved they'll just pretend it doesn't matter and that it can't affect me.”

Sabrina Wallace has held up a sign that breaks down the mentality of the complicit gangstalking network:

(70%) = (20% “enjoy doing evil”) + (20% “cannon fodder due to non cognition”) + (30% “I want to die”)

VS

(30%) = (those of us with soul/life-force).

I have other confirmations of such an unbelievably astronomical figure. I will say also that it does not matter how many people are involved. The force of God is always more powerful than those who betray the Light. It could be 50%, 30%, or 5%. However it is not just the 1% of the cabal. The existence of the cabal and gangstalkers is a reality. It is just a reality that is intentionally hidden from the public domain perception (because “evil” (darkness) can only effectively operate in the shadows when enough light is present).

EXPOSING CABAL DID

“I see now that the circumstances of one’s birth are irrelevant. It is what you do with the gift of life that determines who you are.”

Mewtwo, Pokémon 1998

I do not like the cabal but I do have compassion for them. I have come to realize that if I were born in the cabal hierarchy I would be acting just like them. I do not judge anyone; only God and each individual’s Higher Self (soul) is the ultimate Judge.

The cabal torture each other as a behavioral programming science to give themselves a serious mental illness known as DID (Dissociative Identity Disorder) or MPD (Multiple Personality Disorder). They do this to train skill and psychic ability but there are far more effective ways to do this without torture. It is sort of the equivalent of cramming the night before a test instead of properly learning. However this analogy is inadequate because it does not emphasize enough the dysfunction and unecessity of this behavior. They have unfortunately generationally trauma-trapped themselves in a negative reinforcing cycle that is difficult to break. They are stable-appearing individuals who are in reality broken cannon-fodder mind-control slaves to the

demonic-kingdom/NAA (negative alien agenda).

From my understanding they (family/cult) generationally torture each other to methodically attempt to program/install anti-God sentient and satanic/"luciferian" cult loyalty/slavery. They torture someone and then say "If God is good, why is God letting this happen to you?" to trick the victimized into thinking God is not good. This is a lie because God loves everyone unconditionally.

DID is a secrecy tool for the cabal because its system's programming can attempt to act as a biological/psychological/emotional self-destruct button on defectors/whistleblowers, preventing them from effectively surviving/escaping/flipping (though God can always heal this when called upon with sincerity). It is important for the public to become aware of DID to understand the enemy's arsenal and support cabal defectors/whistleblowers energetically through the quantum-consciousness-field. Public awareness will lend more energetic protection for cabal resistance and encourage cabal defection. I am not an expert on torture mind-control programming so I am not going to go into more detail. These resources are more competent:

Super Soldier Talk

<https://supersoldiertalk.com/>

I know that most of the cabal hierarchy secretly hates the cabal and would leave if they could do

so easily and safely. The problem is that the cabal society systematically holds them hostage through threatening torture/death upon defectors and the defectors' loved ones.

To defectors I would suggest a heroic response. Risking your life for a noble cause and to feel healed is worthwhile if you feel God is inspiring you to do so. As for threats upon loved ones I would suggest the logical mentality "I do not negotiate with terrorists". Sever your emotional guilt ties with ArchAngel Michael and/or Jesus Christ assistance and send the cult unattached healing prayer from a distance.

The cabal believes they are strong but in reality they are just violent. Cabal defectors and whistleblowers are real strength. Fighting evil is real strength.

I admire the courage of cabal defectors and whistleblowers. I have no idea what life is like for them but I know God always protects the pure-hearted and righteous.

God and the Light (Angelic Realm, Positive ETs) are much more powerful than "satan" and the dark (demonic realm, negative aliens). Our reality has just been temporarily shrouded in a false illusion where it sometimes seems like the bad guys get away with it. In the end no one gets away with anything: all are held accountable for their actions.

Ultimately those who worship "satan" are confused, psychologically-ill, and have no idea what they are doing. As Jesus said: "Forgive them Father for they know not what they do".

But I do want to be careful not to sound too nice. There are members of the cabal who are very socio-psychopathic, sadistic, wicked, and unremorseful. To those who are not doing everything in their power to resist and fight their programming. To THOSE who think they enjoy and perpetuate darkness: what is coming soon from in front of YOU is much more terrifying than what is behind you.

To those who fight the cabal and "satan" (lightworkers, lightwarriors, trapped-but-want-out, defectors/whistleblowers/survivors): every second is recorded. To those who hold the Light in spite of the darkness of this world: you are a Hero.

CABAL EMOTIONS

“Why so serious?”

The Joker, The Dark Knight 2008

Please watch American Psycho 2000 and Jupiter Ascending 2015.

The emotional range of a sociopath and/or psychopath is quite limited. Their consciousness is not healthy or evolved and they lack empathy and conscience. They unfortunately receive respect because the world society has been hijacked by socio-psychopathic pseudo-elite to be traumatizing. People who submit to this trauma submit to socio-psychopathy as well. Sociopaths and psychopaths suppress their conscience and emotions to appear stable but in reality are internally chaotic. They are tantrum-throwing little children playing grown-up.

Instead of being able to express a healthy range of feeling they have essentially turned into parasites who steal others' energy. They do this through binary action: do harm (Hatred) and steal energy (High). They attempt to do you emotional or physical harm and if you react in emotional suffering they steal your energy through subtle exchange. We can further split this

binary action (Hatred)(High) into sociopathic (Cold) and psychopathic (Hot) polarities. The sociopathic strategy is more calculated and uncaring, the psychopathic strategy is more crude and animal-like.

When the psycho-behavioral makeup of a socio-psychopath is identified in this way it isolates 4 identifiable responses that you will be able to consciously recognize with practice: Cold-Hatred, Hot-Hatred, Cold-High, and Hot-High.

Here are key words to help better identify these emotional behaviors:

Cold-Hatred: Secretly Triggered, Passive Aggressive, Methodical Predation, Disgust

Hot-Hatred: Triggered, Violent, Jealous, Rage, Aggressive Tantrum

Cold-High: Apathy, Disrespect, Pseudo-superiority, Grandiosity

Hot-High: Condescending, Patronizing, Humiliative Laughter, Attempted Ridicule, Wicked, Sadistic

When you realize that socio-psychopaths operate with predictable behavior it makes the chaos they make less threatening. It empowers you with a higher perspective. You do however always need to be on-guard, vigilant, and smart around them because they will always try to do you serious harm if they think they can get away with it.

You know how in American Psycho Patrick Bateman decided to stab a homeless person and then kick his dog to death for no reason at all? You have to understand that there are some sick (mentally-ill) people laced within the world society who are only restrained from doing harm by law. It is a genuine mental illness due to an inactive frontal lobe but also likely perpetuated by choice.

They are seemingly normal and functional but underneath their facade is psychosis, chaos, and unconsciousness. They have little to no conscience or empathy.

It can be helpful to mentally project a rectangle grid with these 4 emotional behaviors in the corners. A rectangle emphasizes 2 emotions (Hatred-High, long-ways) with 2 polarities (Cold-Hot, short-ways). A rectangle grid helps to recognize the interconnectedness of the 4 corners; a socio-psychopath can embody combinations of these 4 emotions. You may now trap a socio-psychopath to a predictable flat grid, if you have the misfortune of having to deal with one.

JEW CATHOLIC HYPERGAME THEORY

The cabal are “the children of satan or lucifer”. They are burdened with a high concentration of reptilian DNA that they are unable to tame because they are weak. There may be some relationship between cabal semitic and neanderthal genes. They are obsessed with genetics (and their bloodlines, pseudo-superiority) in an unhealthy way because they ignore God and the soul as the source (and animator) of all genetic biology. They hide behind mainstream world religions (mainly Islam, Judaism, and Catholicism) and secretly worship satan and/or lucifer at the top of these organizations.

They are the khazarian mafia (KM) and roman papal bloodlines. They are trying to throw Judaism under the bus with corrupted World Zionism (the KM Rothschilds are luciferians). They have attempted to hijack Christianity with the jesuit order (the Italian black nobility are satanists).

Apparently the Vatican created Islam:

<https://tabublog.com/2015/12/27/how-the-vatican-created-islam-by-former-jesuit-priest-alberto-rivera/>

https://www.youtube.com/watch?v=o_qYcJ-GSZc

Rothschild Zionists

The Rothschild KM Zionists practice babylonian satanic/luciferian talmudism and kabbalistic black magic. It is a hijacking of Judaism.

The Rothschilds created the Bolshevik Revolution to genocide 100 million Russians and implement the communist regime in Russia as revenge against the Russian people (the Russian Czar neutralized khazaria in 1200 AD, the Russians assisted the American Colonists in securing Independence from the KM Rothschild British Empire in 1776). Then they created the holocaust to genocide 6 million real jews (ethnic judaic people)(unless the cabal inflated the total which is possible, they manipulate history records for attempted mind-control perception-steering of the masses) under the KM created Nazi regime (Hitler was a Rothschild agent). The cabal then steered western history to hide the extremity of the Russian genocide (100 million) and emphasize the holocaust (6 million) so that they could more effectively hide as jewish KM Rothschild Zionists and call any accusations of their luciferianism “anti-semitic”.

The cabal are behind all war. They attempt to ignite war as an electric science (after social energy societal-automation inductance is maximized) and then try to play both sides for profit. While the Allies victory against the Nazis was a good thing, the cabal still paper-clipped (Operation Paperclip) Nazi (mad) scientists into the US Military-Intelligence-Industrial Complex (MIIC) and established Israel for the Rothschild Zionists to puppet. Israel is a country completely hijacked (at the top) by Rothschild KM Zionist cabal.

<https://intothelight.news/knowledge-base/khazarian-mafia/>

<https://veteranstoday.com/2022/03/10/the-hidden-history-of-the-incredibly-evil-khazarian-mafia/>

“The Rothschild Khazarian Mafia (KM) once again decided to sheep-dip themselves and infiltrated and hijacked all Judaism:

The Rothschild KM created a master plan to control all of Judaism and mind-control Judaics.

The Rothschild KM has hijacked Judaism, patterned it off of Babylonian Talmudism (Luciferianism or Satanism), and gained control over the banking and Wall Street professions in general, Congress, the major mass media; along with most wealth and economic means of success.

Thus, the Rothschild KM could pass out wealth and success to those Judaics who drank their Kool-aide and use them as cutouts, assets, and Sayanims. In this manner, the Rothschilds hijacked Judaism.

Their financing of the Israeli Knesset and construction of it using Freemason occult architecture displayed their commitment to the occult and Babylonian Talmudism and all the evil accompanying it, including child sacrifice to their secret god Baal. They set up a NWO system

called World Zionism which taught and inculcated susceptible Judaics with a paranoid group delusion of racial superiority, which assumed that all Gentiles were intent on mass-murdering all Judaics.

Freemasonry architecture was used in the building of the Knesset and the Israeli Supreme Court viewed through windows.

They called this racially-paranoid mass Judaic delusion of world conquest, “World Zionism”, which is really a form of covert Babylonian Talmudism or Luciferianism that had been unknown to mainstream Judaics. The system was designed to use Judaics as cover, but also to anoint them with Babylonian money-power, in order to use them as cutouts, and to later be sacrificed to Lucifer in two stages.

The first stage would be their planned WWII in Nazi work camps, cut off from supplies, resulting in the deaths of about 200,000 Judaics from starvation and disease, along with about 90,000 non-Judaic inmates from the same causes, according to respected Red Cross official figures. This number is 5% of what the Khazarian Mafia (aka the World Zionists) claim.

The second great sacrifice would be a final one, when their New World Order Luciferian King would be placed into power, and when all three Abrahamic religions would be eradicated — especially Judaism, which would be blamed for all the wars and destruction of the world.

By then, the Rothschilds would once again morph themselves into a complete new identity not associated with Judaism in any form, not even World Zionism.”

“The Rothschild KM sets up Nazi Work Camps as a pretext to later manipulate the Allies into granting them their own private colony in Palestine, using land stolen from the Palestinians. The Rothschild KM was able to use their self mislabeled, so-called “holocaust” to serve as a mind-control trigger to thwart and resist any criticism of their Zionist ways. The truth of the matter was that the Rothschild KM set up the Nazi work camps to make huge profits for their corporations that ran their work camps and supplied their Nazi war machine.

Once the Rothschild KM gained their own private homeland in Israel in 1947 through their covert political manipulations, they began to secretly view all of Palestine as their New Khazaria, and began plotting how to genocide all the Palestinians and steal all of Palestine for themselves. Their plans include their fantasy of constructing a “greater Israel” by taking over the whole Middle East and manipulating dumb American Goyim to fight and die on their behalf, taking all the Arab lands for Israel and the Khazarian Mafia (KM), so they can asset strip their wealth and natural resources, especially their crude oil.

Recent peer-reviewed Johns Hopkins genetic research by a respected Judaic MD shows that 97.5% of Judaics living in Israel have absolutely no ancient Hebrew DNA, are therefore not Semites and have no ancient blood ties to the land of Palestine at all. By contrast, 80% of Palestinians carry ancient Hebrew DNA and thus are real Semites, and have ancient blood ties to Palestinian Land. This means that the real anti-Semites are the Israelis who are stealing Palestinian lands in order to build Israeli settlements, and it is the Israelis who are the ones tyrannizing and mass-murdering innocent Palestinians.”

Italian black nobility, Jesuit Order

<https://ascendliberation.blogspot.com/2023/09/the-black-nobility-archon-families.html>
<https://www.bitchute.com/video/p1G8uGTlZZUs/>

The Italian black nobility behind the Jesuit Order (“The Order”) is at the head of the cabal. Pepe Orsini is the “grey pope” who is behind the white pope (first jesuit pope, Pope Francis) and black pope (jesuit superior general, Arturo Sosa).

They try to run the world from the Holy Roman See triangle (Vatican City, City of London, Washington D.C.).

They own the US MIIC. They puppet the British Israeli KM Rothschilds, and the rest of the negative cabal (Chinese Whispers, mind-controlled) occultic hierarchy (Illuminati, Knights of Malta, Rosicrucians, Opus Dei, Magnificat, etc.).

The dark brotherhood basically could not stop the unforgettable/unstoppable energetic force (Unconditional Love) of Jesus Christ. They freaked out and have attempted to flip Jesus’ name to the negative through the black jesuit order (“Society of Jesus”) but they cannot ever be successful. The Love of Jesus Christ cannot and will not ever be stopped, it is impossible.

We are literally living in a kid’s superhero movie and these are the lunatic mad scientist bad guys who lust for world domination but get thrown in prison in the end:

Quoted from the Jesuit Extreme Oath of Induction given to high ranking Jesuits:

“I furthermore promise and declare that I will, when opportunity present, make and wage relentless war, secretly or openly, against all heretics, Protestants and Liberals, as I am directed to do, to extirpate and exterminate them from the face of the whole earth; and that I will spare neither age, sex or condition; and that I will hang, waste, boil, flay, strangle and bury alive these infamous heretics, rip up the stomachs and wombs of their women and crush their infants' heads against the walls, in order to annihilate forever their execrable race. That when the same cannot be done openly, I will secretly use the poisoned cup, the strangulating cord, the steel of the poniard or the leaden bullet, regardless of the honor, rank, dignity, or authority of the person or persons, whatever may be their condition in life, either public or private, as I at any time may be directed so to do by any agent of the Pope or Superior of the Brotherhood of the Holy Faith, of the Society of Jesus.”

DROPPING CABAL FAMILY NAMES

This list comes from World Crime Syndicate blog:
<https://worldcrimesyndicate.blogspot.com/>

These families (literally, and I'm not exaggerating) (attempt to) sadistically play your life (for entertainment) like a Sims video-game. They inappropriately surveil your private life whenever they want (3D real time surveillance). They have stolen all your money (natural God-given abundance, birth-right) through deceitful societal hijacking and manipulation. They run illicit black industry globally. They mass-traffic adrenochrome and children as sex-slaves. They torture, sodomize, and cannibalize innocent children. They puppet society to try and make you stupid, poor, and unhealthy. They feel superior to you. They view you as a genetic-commodity/cattle/slave. They are trying to completely subjugate you under the NWO.

I would like to emphasize that the Italian black nobility families and the Jesuit order are at the top of the cabal hierarchy and the root of all dysfunction and criminality on the planet. The Rothschilds are their bankers. The rest of the cabal negative occultic hierarchy operate underneath them.

From my perspective these families and their gangstalking minions are the real slaves to the demonic realm while those they have “enslaved” (and didn’t sell out, non-gangstalkers) are forever free in the Light of God.

DIRECT MESSAGE TO THE CABAL

This is a direct message to anyone in or working for the cabal. Time is of the essence for your own safety.

Hear me now. Surrender or be neutralized.

The Event draws near. I know what the Light is packing and I know what you are currently packing.

So much hiding. Are you afraid?

Israel. KM Rothschild Zionists. (I respect all non-satanic talmudism. I am ONLY speaking to those who worship “satan” or “lucifer”).

I am tired of the “Jew” anti-semitism hypergame. You are not Jewish. You are Khazarian Mafia. Stop speaking hebrew, it is offensive. “Lucifer” is satan. Why are you using a blue hexagram? King David blasphemy. I think you mean to use a flipped red PENTagram. Or is that not kosher? You must have added a point accidentally. Or maybe you like the 6? Regardless I think it is inappropriate. Stop faking Judaism when you are practicing babylonian satanic “talmudism” and kabbalistic black magic. The Essenes are coming back.

Rome. Italian Black Nobility. Jesuit Order. (I am not speaking to all catholics or jesuits. Only those who worship satan like Arturo Sosa, Pope Francis, Orsini family, Pallavicini family). I am tired of the Catholic (White(Catholic) Grey(Italian Black Nobility) Black(Jesuit Order)) game. Take off the hats and let's see those skulls at the Vatican. Stop speaking latin, it is offensive. “Society of Jesus”. Your logo is a black sun, did you know?! You could not stop the unstoppable force Jesus Christ brought to the planet so all you could do is try to invert and flip the name. It is a joke and unsuccessful. Your black magic and psi-ability is weak and temporary. You are weak and temporary. You are not ascended masters. Stop faking Christianity when you are practicing satanism. St Christopher. The Cathars are coming back.

You will regret -48, 325, 1307, and 1954.

Your Chinese techno-dystopia attempt is unsuccessful.
Taiwan. Japan. South Korea. Real Dragons.

US “Corporation”

CIA, DARPA, NSA, DoD, DIA, SAPs are cesspools in my beautiful home country America. The Constitution and Declaration of Independence are not cheap drafts that you could write over. They are staying power and all violations are recorded by Higher Intelligence. Cheap tricks, red tape, and dishonest terminology is your temporary delusion. Marilyn Monroe. JFK. MLK Jr. John Lennon. Milton William Cooper. Phil Schneider. Howard Hughes.

You may feign like you are always in control (to maintain delusion and order in your hierarchy, pseudo-control) but all I see is exposure. You do not have anything under control. The system is bursting at the seams and there will be a dam break because you cannot twist real Truth.

St Germaine. Valiant Thor. Ashtar.

(Real) Ascended Masters, Great White Brotherhood. Cosmic Central Race.

Whistleblowers.

Sabrina Wallace. Svali.

Dr. Steven Greer 1993 Disclosure Project.
Bigger than Snowden

UFO, Grusch

Child Sex Slavery, Epstein

Most of your hierarchy would flip immediately if they could do so without being tortured/killed. Unified? More like terrified. I see everyone itching. Some of your *key players* play for the real Jesus Christ. Layers upon layers, how deep can you see? Look at yourself. Can you not see the signs? I thought you were good at infiltration machination.

Your torture science will be rewarded. When things come to a breaking point you will find the max torture you have been so scientifically looking for. Some of your souls will die when you meet it and you will cease to exist permanently.

How many times did you try and kill Svali by the way? Why can't you touch certain people? You program yourselves to forget but deep down you know who is in charge. You are shown over and over again.

I am sick of your dysfunction upon my beautiful home planet. You are a disgrace and an embarrassment. I am tired of the cowardice Quiet War (Silent scalar/situation Weapons, pathetic. Psalm 11:2). Did you not know that when you play dirty the dirt comes back? I am tired of my Mother Earth being tortured from your regressive industry. I am tired of all the innocent children being raped, tortured, and cannibalized.

I am tired of you. YOU will be held accountable for every second of offense.

I feel like you know the situation. Maybe you do not. You are a frail mentally-ill dissociative incel psychopath holding a child hostage in a bank with a CIA Deer Gun. There is a nuke trained to your location. The child has advanced nuke-proof armor (advanced Light-Force technology). You do not.

Do you not see the armor yet? I suppose it is invisible. Do you not have ESP? Do you think the armor is not bulletproof? Are you still MAD? We can find out. We wanted to avoid your bloodbath. There has been far too many bloodbaths, and your skin still looks bad.

Keep playing the game like this and see what happens. Watch your toes! The line is not chalk it is tripwire.

I thought you were smart. You seem to very much pride yourselves on your genetically artificially beast enhanced IQ. IQ starves without EQ.

All I see is a tower of cards. All I see is Chinese Whispers occult. All I see is neanderthals drawing crooked shapes on cave walls (upside-down stars, goats, and unsymmetrical trapezoids) (In the dark, you can barely see! You are squinting past the big nose. Did you not even invent the torch yet?).

While we are in a cave - I know you have studied Plato's Allegory. You have misinterpreted Republic like you do with everything you touch. What if I told you you have been the prisoners

the whole time? Those shadows are your demons dancing on the walls, not attempted societal matrix entrapment machination. You have been hypnotized in the dark to ground 0 and drool.

Look around. Look around deeper. The atmosphere has changed. Again, I thought you had ESP? Where are you? Rome is in a dome. Your SSPs/breakaways are weak. Do you not see you are surrounded yet? Or do you still believe satan's lie over your head?

There is nothing behind you but smoke that is fading.

Think carefully about your next moves. Maybe that is hard for you, you look a little drowsy. Understandable, it is late, 11:59PM. Maybe you should lie down.

You're watched.
